GDPR Policy

Under General Data Protection Regulations (GDPR) Buxton Rambling Club are required to seek your consent to hold personal information. Please only provide above the details that you wish us to hold and tick the relevant boxes to indicate consent for us to use these contact methods as detailed below. Bear in mind that reducing your contact options may result in you not being kept up to date e.g. last minute changes to the walk programme or meeting points.

None of these details will be passed to third parties without your further consent. You have the right to change your consent at any time and/or request that we delete information from our records. Members not renewing their membership by the end of June of the current membership year will have their information deleted.

We will keep records of member's contact information for the following purposes:

1. Managing membership status and subscriptions
2. Providing effective and appropriate membership services
3. Promoting club events
